

**Ryle High School Band Boosters
Meeting Minutes June 13, 2011**

Band Boosters present: Amy Clarke, Pam Ollier, Denise Sparks, Tim O'Connell, Matt Carron, Steve Logan, Rusty Sparks, Shelly McDaniel (and three other new parents whose names I can't remember. They are listed on the sign in sheets.)

Band Director's Report: Matt told us that the music for the show is called "Beautiful You" and is almost done. Once complete it will be loaded to Smart Music.

Treasurer's Report: Pam introduced herself to the boosters present and explained her function, along with some background information regarding the checking account.

President's Report: With Terry Miller not present we weren't able to get an update on the new equipment vehicle.

The meeting dates for the next quarter were announced, they are 7/19, 8/15 and 9/13. All at 7pm.

Mike and Annette Mayor are doing a fantastic job with Sponsorship. We have now confirmed Bruster's, Laser Adventure and received a \$100.00 check from Mai Thai restaurant.

1st & 2nd Vice President's Report: Amy Clarke reported a \$640 check from Kroger, which is down compared to last year. It's usually around \$800. Keep using your Kroger cards. The band earns 4% of all purchases.

The next Beef O'Bradys night is scheduled for June 15th. One of the Boosters reported that they had gone to the previously advertised Beef's night of May 18th and was told by Beef's that there was no fundraiser that evening. Amy will contact Beef's to confirm the dates for the band.

The World's Longest Yard Sale is August 4-7. Items for donation to the band can be dropped off during the final week of Band Camp. For large item pickup contact Matt Carron or anyone on the Board.

There is a car wash scheduled on July 23rd. More information on this is required

3rd Vice President's Report: All students have been measured. Additional uniforms have been ordered where there weren't enough for all the students.

4th Vice President's Report: Denise ran through the budget for 2011/2012, and with no objections from the members present or from any of the boosters who received a copy of the budget at the may meeting, Steve Logan brought forth a motion to vote on the budget. The budget passed unanimously.

Other Business: Shelly McDaniel has offered to publish a newsletter within the first week of each month. She'll create the newsletter, forward it to someone on the board who will then use Charms to email the newsletter to all the students and parents. We can also put a copy of the newsletter on the website.
